

# **Happily Ever After**

### **KEY**

## Ex.2.a.

- 1. He thinks they are perfect for dating but not so great if you want to find a wife or a husband.
- 2. A woman is supposed to wait for a man to ask her out or to propose to her.
- 3. Dating apps make money when you are single...so it doesn't really make sense to them to get you married.
- 4. It's easier to find a real partner if you already know him/her or if you know someone who knows this person. People make bonds through common experiences.
- 5. At the benginning Hinge required its users to be friends or friends-of-friends with one another on Facebook before the Hinge app could ever match them. Then they eliminated this requirement and they stopped being so successul in getting people married.
